

Application No. : 10/782,680
Filed : February 18, 2004

REMARKS

Claims 12-24 and 34-64 were pending in the application. By this paper, Applicant has cancelled Claims 62-64, amended Claim 61 and added new Claims 65-69. Accordingly, Claims 12-24, 34-61, and 65-69 are presented for examination herein.

Restriction Election

Applicant has herein canceled Claims 62-64 without prejudice, consistent with Applicant's election without traverse of the Group II invention (drawn to developing component to managing functions, classified in class 717, subclass 120 and 177).

Claim Amendments

By this paper, Applicant has amended Claim 61 to correct an editorial error contained therein. Applicant submits that no new matter has been added by way of this amendment.

New Claims

By this paper, Applicant has added new Claims 65-69. New Claims 65-68 depend from previously presented Claim 61 of the elected Group II invention. New dependent Claim 65 corresponds generally to the subject matter of previous Claim 38 of the elected Group I invention. New dependent Claim 66 corresponds generally to the subject matter of previous Claims 39-40 of the elected Group I invention. New dependent Claim 67 corresponds generally to the subject matter of previous Claim 41 of the elected Group I invention. New dependent Claims 68-69 correspond generally to the subject matter of previous Claims 44-45 of the elected Group I invention.

Applicant therefore submits that no new matter has been added by way of new Claims 65-69, and that each of new Claims 65-69 reads on the elected Group II invention and thus is properly examined therewith.

Other Remarks

Applicant hereby specifically reserves the right to prosecute claims of different or broader scope in a continuation or divisional application.

Application No. : 10/782,680

Applicant notes that any claim cancellations, withdraws, or additions made herein are made solely for the purposes of more clearly and particularly describing and claiming the invention and responding to the aforementioned restriction election, and not for purposes of overcoming art or for patentability. The Examiner should infer no (i) adoption of a position with respect to patentability, (ii) change in the Applicant's position with respect to any claim or subject matter of the invention, or (iii) acquiescence in any way to any position taken by the Examiner, based on such cancellations or additions.

Furthermore, any remarks made with respect to a given claim or claims are limited solely to such claim or claims. If the Examiner has any questions or comments which may be resolved over the telephone, he is requested to call the undersigned at (858) 675-1670.

Respectfully submitted,
